André Baillon

**Notes**  
Fiction

**Series**  
Archives du Futur

**Type of material**  
book

The last novelistic work (1932) followed the first (1915) by the author of *Histoire d'une Marie*. Includes documents essential to understanding the formation and evolution of the writer who did not cease to draw material from his own life. *The Sucker* has been finally published in conformity with the original manuscript.
