Type of material
book

A symposium held from the first to the ninth of September, 2000 at Cerisy-La-Salle under the initiatives of Christian Angelet (Fondation Maeterlinck), Christian Berg (Université d'Anvers), and of Marc Quaghebeur (AML). Numerous new approaches concerning the ensemble of the corpus contains moreover a work previously unseen by Cyriel Buysse, *En auto avec les Maeterlinck* (French translation by Adrienne Fontainais), and a testimony by Pierre Debauche.
